Military & Tech apparelsince 1982

Our family's company Lovers. s.r.l. Military & Tech apparel since 1982 was founded in 1972 and won the first tender for the Italian Army in 1982, still nowadays one of their biggest suppliers. Our stylistic and cutting depts are in Italy and our sewing depts in Rumania and Albania, which are totally controlled and owned by us; all the sectors are updated with the latest generation machinery and soft-wares.
